To the Classes of 2024,
 You did it! This marks the beginning of the next part of a truly incredible journey. Enjoy the upcoming years as they will go quickly. Savor them. Pay attention to even the small things that happen as often the events that truly matter the most are the easiest to lose sight of as you chase “success”. Hold the important things close to you. Use what you have learned over the past few years to bring good into the world. Finally, don’t hold back. Don’t hold *anything* back.

~ The Staff of the Sidney Sun-Telegraph

This year the Sidney Sun-Telegraph will be extending a gift to all area Graduates to take with them as they head off to college. A free, one-year digital subscription anywhere in the country.
